About the GIBFF: The Gary International Black Film Festival (GIBFF) is Gary's hometown cultural event that supports community building by bringing audiences and artists together through film. Now in its 8th year, this annual, 3-day event presents films from independent filmmakers, panel discussions, matinee screenings for middle and high school youth and in-depth chats with filmmakers, industry professionals and local community

leaders. The festival is run by a committed core of community volunteers who work year round to curate films and raise money for the annual event.

The GIBFF is proud to once again work with collaborating partners the Urban League of NWI , Indiana University Northwest and the Office of Diversity, Equity and Multicultural Affairs Northwest and ArtHouse, A Social Kitchen.. Support for the 8th Annual GIBFF is made possible by The Legacy Foundation, Knight Foundation, and DHS Entertainment, Inc.
