SHOW UP FOR SHABBAT

We welcome everyone in the community to join us for Shabbat service this Friday, November 2, at 7:30pm as we show solidarity not only for the victims in Pittsburgh, but also for all who are persecuted regardless of race and religion. We believe in social justice for all, and during our 108 years of existence we have fought for equality. We will continue our crusade and ask for your help.

Please invite your family, friends, and neighbors to join with us in our continued pursuit!
