COMMUNITY-BASED SERVICES NOTICE OF OPEN RFP

Dear DCS Stakeholders & Potential Bidders:

The Indiana Department of Child Services (DCS) has opened the Community-Based Services Request for Proposals (RFP) that was referenced in the June 10, 2019, letter from Director Stigdon. This RFP can be found at <https://www.in.gov/dcs/3151.htm>.

As stated in Director Stigdon's June 10 letter, a provider may have only one Community-Based Services contract at a time, with the exception of the Family Preservation Services Per-Diem Model community-based contract. If a provider was awarded a Community-Based Services contract through the 2018 RFP process, they **do not** need to respond to this RFP. DCS will provide details about bidding opportunities associated with the Family Preservation Services Per Diem Model later this year.

Thank you for your interest in working with DCS. We value our relationship with the provider community and look forward to continuing to work together to improve outcomes for Hoosier families and children.

Best regards,
